## **ORDERING INSTRUCTIONS—TERMS AND POLICIES**

### **Prices:**

All prices net. Prices are subject to change due to market conditions.

### **Cash with Orders:**

We accept orders only when accompanied by funds sufficient to cover the price of the goods and postage to your Zone. No C. O. D. shipments made. We do not pay express charges.

Foreign customers kindly remit International Money Orders.

### **Shipping-Containers:**

Because live fish must be shipped in water, it is necessary that they are sent via Railway Express Agency.

Shipping cans holding up to 50 fish.....—50c each

Larger cans holding up to 100 fish.....\$1.00 each

We only ship healthy specimens, but after shipments has left our establishment we assume no responsibility for loss or damage in transit.

### **Tropical Fishes—Quality:**

Our expert Aquarists select only the best specimens and whenever it is possible we ship mated pairs.

Varieties marked X must be shipped in separate cans, other varieties listed can be shipped in one can.

### **Shipping Season:**

Tropical fish are shipped—May to October. Other livestock shipped in season.

### **Shipping and Packing of Aquariums:**

For Orders amounting up to \$10.00 we charge 50c, above \$10.00 we charge 5% of the total amount ordered.

Our packing is done by expert packers, who take special care in selecting and packing.

If damage should occur in transit, claims must be made by consignee to the transportation company.

### **Correspondence:**

We aim to please our customers giving prompt attention to all inquiries.

Dear Friends:

During the past 20 years we have viewed with keen interest, the growth of the Hobby of keeping Tropical Fishes.

It is with a great deal of pleasure and satisfaction, that we offer you our 20th Anniversary Price List.

Looking backward, we recall many instances where we had the privilege of offering to the American fanciers something new and worthwhile.

As it always has been our policy to bring to the attention of the fanciers and dealers, the latest importations, such as new fishes supplies and other items which have proved them worth on the continent.

We were the first to import fishes direct from South America and the West Indies.

Our showroom has been remodelled and many renovations have been made in order to make more room for customers as well as to enable us to display more Merchandise.

We cordially invite you to visit our showroom. Come in and look around and see the many Varieties of Tropical fish which we now have on hand.

Our staff of Aquarists, Mr. Leonard Berkitz and Mr. Marius Kramer will be glad to give you any information you desire.

Our Research department under the direction of a Chemist and Bacteriologist, is continually experimenting to make it easier for us to care for our pets.

You will also note, that in keeping with the times, we have reduced our prices on quite a number of articles and will endeavor to retain the same unless market conditions change.

Our Motto: Prompt and Courteous Service.

Cordially yours,  
AQUARIUM STOCK COMPANY.
